Cordless SUPRAFLEX 18,0 V, the grinding specialist for painted surfaces, wood, stone and metal

SE 125 18.0-EC/5.0 Set

Order number 504.157

Cordless SUPRAFLEX 18,0 V, the grinding specialist for painted surfaces, wood, stone and metal

- + Brushless motor with greater efficiency and a longer service life
- + Electronics: Speed preselection with 4 settings, constant speed control by means of tachogenerator, overload protection, restart lock, temperature monitoring and anti-kickback function
- + A new combination of planetary and angular gears ensures noise reduction and the optimum torque
- + Electronic management system (EMS) protects the machine, extends the service life, and increases efficiency
- + LED battery capacity display
- + Perfect dust protection thanks to removable protective metal grille
- + Extremely streamlined handle section with soft-grip inlays for perfect handling
- + Grip hood: ergonomically shaped with SoftGrip. The machine can be controlled with precision and is always comfortable yet secure to hold.
- + Guard with pivoting edge segment
- + Genuine operation thanks to conveniently placed and dust-protected on/off switch
- + Spindle lock
- + Sanding specialist for refurbishing, renovating, modernising, processing stainless steel, metal, natural/artificial stone, wood surfaces, painted surfaces
